FEATURED DEVELOPMENT

Peavey Mart returns to Spruce Grove!

On April 9, [Peavey Mart](#) celebrated their grand re-opening at 161 Century Crossing in Spruce Grove! This event was marked by a unique barbed-wire cutting ceremony that symbolized both tradition and a renewed commitment to serving the community. Spruce Grove was one of the seven stores in Alberta and Saskatchewan that celebrated with Grand Opening events on the same day.

Peavey Mart's return represents a strong investment in Spruce Grove's economy and highlights continued confidence in the region as a place to do business. With 12 employees locally, plus an additional support team, Peavey Mart specializes in hardware, agricultural supplies, animal care products, and outdoor lifestyle items. Their garden centre is open with locally sourced live plants for your springtime needs.

With the return of their *Chick Days* program, customers can come in store and purchase chicks of various breeds. Chicks are supplied by Miller Hatcheries, an Alberta-based hatchery servicing Canada and the northwest

United States. Heritage breeds, such as Lavender Orpington and White Silkies, as well as dual purpose breeds are available.

For customers seeking more variety or specific treatments such as vaccinations or beak trimming, orders can be shipped to the store as a hatchery-direct order for pickup on weekly delivery days.

Peavey Mart is 100% Canadian-owned and operated, supplying high quality products to families, farmers, and businesses.
