❑ **FEATURED DEVELOPMENT** ❑

**Civic Centre Project on Target**

The [Civic Centre](#) is hitting new milestones! Over 100 workers are on site driving significant progress both inside and outside the facility. Construction crews are installing concrete curbs and gutters on the east side of the facility, as well as the placement of a storm sewer in the west parking area.

The roof and exterior walls of the spectator arena are complete with ongoing mechanical and electrical work. Lights and heating ducts have been installed in the community arena with the completion of the dressing room ceilings and painting. To follow the progress of the Civic Centre build, check out the latest [time-lapse video](#).

There are a number of [naming rights sponsorship opportunities](#) still available at the Civic Centre. Sponsors will gain valuable brand exposure and engagement with visitors, resulting in mutual benefits for both the sponsoring organization and the local community.

The City's sponsorship team is dedicated to working with prospective naming right sponsors to determine their unique needs and provide the assets that best meet their needs to achieve their goals and budgets.
